

**RESOLUTION BY THE TOWN OF ROXBURY**  
**Supporting a Constitutional Amendment to Limit**  
**Corporate Campaign Contributions under the First Amendment of the U.S. Constitution**

Town of Roxbury, Dane County  
Resolution No. 2024-01

**Whereas**, government of, by, and for the people has long been a cherished American value, and;

**Whereas**, free and fair elections are essential to democracy and effective self-governance, and;

**Whereas**, corporations are not and never have been human beings or persons, and therefore are rightfully subservient to human beings and governments as our legal creations; and rightly are provided ONLY privileges by the states, and;

**Whereas**, interpretation of the U.S. Constitution by appointed Supreme Court Justices to include corporations in the term "persons" has long denied We the People's exercise of self-governance by endowing corporations with Constitutional protections intended by the Framers for ONLY We the People, and;

**Whereas**, in 1976 in the ruling on *Buckley v. Valeo*. The untenable decision of the Supreme Court changed the course of American elections and established the doctrine that spending money to influence elections is a form of speech; and;

**Whereas**, on January 10, 2010, in *Citizens United v. Federal Elections Commission*, the Supreme Court overturned a century of precedence by ruling that corporate spending on elections cannot be limited under the First Amendment; now therefore,

**Resolved**, that "We the People" of the Town of Roxbury, Wisconsin, seek to reclaim democracy from the expansion of corporate personhood rights and the corrupting influence of unlimited political contributions and spending. We stand with communities across the country to support passage of an amendment to the United States Constitution stating:

**1. Only human beings are endowed with constitutional rights – not corporations, unions, nonprofits or other artificial entities, and**

**2. Money is not speech, and therefore limiting political contributions and spending is not equivalent to limiting speech.**

Adopted this 19th day of February, 2024.
