

# Resolution 2024-2

Whereas the Roxbury Sanitary District is in need of meeting DNR phosphorus discharge limits and repairs to the treatment plant,

Whereas the Roxbury Sanitary District has significant debt,

Whereas the Roxbury Sanitary Sanitary District has completed its annual review of the historical and future revenue and expenses,

**Now therefore the commission resolves:**

The Roxbury Sanitary District is establishing the 2025 sewer charges keeping the following assigned REUs. Each user served in the district shall be considered one REU except as designated below:

Day Care Center	1.5 REU
Dorf Haus	22 REU
On the Rox	7 REU
<b>Roxbury Town Hall</b>	<b>2 REU</b>
Roxbury Town Shop	1 REU
St. Norbert Church	5 REU
St. Norbert Rectory	3 REU
<b>St Norbert Shoreless Lake School</b>	<b>2 REU</b>

These REU's are subject to updates pending additional information of capacity and usage demands.

The Roxbury Sanitary District is establishing the 2025 sewer rate charges at \$47.50 per month per REU, which is the same as 2024, 2023, 2022, 2021 and 2020.

The Roxbury Sanitary District holding the 2025 mil rate at \$4.00 per thousand assessed valuation, which is the same as 2024, 2023.

The Roxbury Sanitary District will assign delinquent accounts to the tax roll with an additional \$50 per REU collection fee.

The Commission further resolves to annually review the fees and REUs during the budget hearing when annual rates are determined as needed and approved by motion of the commission. The district will also review ordinances and policies in 2025.

The changes in this resolution shall take place January 1, 2025

This Resolution 24-2 was duly considered and adopted by the Roxbury Sanitary District Commission pursuant to a vote of     3     for and     0     against on November 11, 2024.
