Subject: ATV safety class

Hey everyone,

The a warden and myself are teaching a DNR safety class. The date, time, and location are as followed,

1/25/2025 3:00 PM - 1/25/2025 5:00 PM
Wisconsin Department of Natural Resources Service Center, 3911 Fish Hatchery rd, Fitchburg, WI 53711

1/26/2025 9:00 AM - 1/26/2025 5:00 PM
Wisconsin Department of Natural Resources Service Center, 3911 Fish Hatchery rd, Fitchburg, WI 53711

To sign up they have to create a go wild account and a customer ID number with the DNR if they do not have one. Then they sign up for the class on go wild. First day is registration day which includes a pre-test, DNR class fee, and registration paperwork (parent/ guardian has to be present). Day one is pretty quick day for them. Students will need to bring a lunch on the second day of class. The fee for the class is \$10.

Sorry for the late notice but could you send out this to the townships/ contacts to see if they have any interested students attending this class that would be greatly appreciated.

If anyone has any questions please feel free to reach out or send the person with questions my way.

Thanks cory
